### **A Note from Mrs. Boley**

In a year such as the one we have had, it actually seems fitting that we'd all sit down with our loved ones in our own homes to view this Christmas program. As the students well know, Grandparents Day is my favorite day of the year. So, I am really missing the excitement of being together and enjoying live music in our fanciest Christmas outfits. The idea of a virtual program was a fun challenge, however, and I want to give a shout-out to my daughter, Raegan, for her creative work on this with me. God continues to surprise me this year and make a way when things are hard, and this program is proof of that. May this Christmas music boost your spirits and be one of the treasures to come from 2020.

Thank you for your continued support of the fine arts, and I encourage us all to sing those Christmas carols louder than ever this December (even if that requires a face mask!)
