Looking for a way to expose your teenager to the joys of service and volunteerism? We have a great opportunity to offer! The Volunteer Services Department at Mercy Medical Center (MMC) will again offer a Summer Youth Program in June of this year. The program will provide exposure to the health care environment for those who may be exploring future career opportunities. Program eligibility is limited to students who are ages 14 (the student must be entering the 9th grade in the fall of 2018 to be eligible) to 17 years of age. Admission will be on a first come, first serve basis. To request application materials and/ or additional information, please click <http://www.mercydesmoines.org/careers/summer-volunteer-program>.

Volunteer Services will accept completed applications until by noon on April 20, 2018. Slots are filling fast, but we encourage all eligible teens, interested in service, health care, or both, to apply. Servant Leadership can't start too soon!

Questions? Contact Diane Heckman, Manager of Volunteer Services at dheckman@mercydesmoines.org
