

Concession Stand Policy for Parent Volunteers

Click [here](#) to sign up for concessions.

DMCS ABC (Athletic Booster Club) expects parents of our 7-12 athletes to work in the concession stand. The expectation is that **each** parent will serve in the concession stand at least **one time per sport** that each of your children are in. **This could be more** depending on how many home games per season.

New Opportunity: Shift Leader During the volleyball season, we will be piloting the shift leader position. You will be the "go to" person for the night. This position is ideal for a parent to serve and still watch their child play. Responsibilities include:

- Start the set up of the concession stand
- Instruct volunteers on their duties
- Supervise close and clean up of the concession stand which includes making the deposit

This year you may **volunteer outside of your athlete's sport**. For example, if your child will be playing soccer and you would prefer to help during basketball season you can sign up during the winter season. If you choose to **work a different sport season** please let [Stephanie](#), the ABC athletic liaison know. Please make sure that you **sign in** when you arrive at the concession stand for your shift.

Serving in the concession stand gives you the opportunity to provide hospitality to our guests, enjoy fellowship with your school community and support the athletes through this fundraiser. The following are a few of the purchases ABC made with the money raised this past year:

- If you need to change the time you signed up for email the [event coordinator](#).
- When you report for second shift, please find a station and have the previous person train you before they leave.
- State law prohibits children under the age of 14 to work in the concession stand.
- The only parents exempt from working concession shifts are those on the coaching staff during the particular season they coach. They will be able to help during another season.

Thank you for your service. Enjoy the opportunity to serve and fellowship with your school community. Remember, many hands make light work.
