## COLLEGE AND CAREER CONSULTING

### FutureU

Our comprehensive, individualized career consulting process gives students an edge early in life by focusing on their talents, interests and values to help them identify their best career fit. The consultants at FutureU have gone through extensive training and are certified specialists in administering and interpreting the Strong Interest Inventory®. The Strong assessment helps students identify a career focus and begin their career planning and exploration process. We have developed tools in addition to the Strong that help deliver insight and direction.

The last years of high school can be a stressful time. Students have a world of options before them, but are likely struggling with how to choose the career, college and major that is right for them. We help students get a better understanding of their natural gifts. We want to be both an ally to you and your student as you navigate this next phase of your lives.

### College Connectors

College Connectors is an independent educational consulting company dedicated to helping your son or daughter prepare for their next steps after high school. We offer personalized college planning to students with a variety of interests and of all backgrounds and academic abilities.

Hundreds claim to be experts in college planning and consulting. Some only focus on students with certain GPAs and goals, while others provide your child with a one-size-fits-all approach. At College Connectors, we take pride in offering services that are flexible to the student. From the moment we meet in the initial discovery meeting, we become invested in learning about your student's needs. Taking the time to get to know their aspirations, interests, and abilities enables us to offer personalized counseling services that align with his or her goals.

If you'd like to help prepare your son or daughter for this exciting yet challenging new chapter in their life, consider a personalized college plan with College Connectors. Contact us today at 952-303-3696 to learn more about our services and to schedule your first discovery meeting!
