

To maintain a safe and healthful environment for your child and those around him, the following guidelines have been established.

## **24 Hour Rule**

When your child has one of the following symptoms, you will be contacted to take your child home immediately:

### **Fever**

Children will be sent home when their temperature is 101 degrees or higher. Children must be fever free for 24 hours without fever reducing medication before returning.

### **Vomiting**

Children will be sent home and may return after 24 hours without medication and no vomiting.

### **Diarrhea**

Children will be sent home after 2 loose stools. Children must be diarrhea free for 24 hours without medication before returning.
