

Course Description

Bible 10

Philosophy Statement: Through the teaching and study of God's Word, we desire to equip students to know the fullness of God, to pursue His truth, and glorify Him in word and deed. (Ephesians 3:16-17).

Course Objective: This course is designed to train the student in the understanding of World View; the major world views of the world; and the Christian World View. Students will formulate and integrate into their lives a Christian World View, which they will apply to all areas of learning and life.

Textbooks: NASB Bible

Understanding The Times
Understanding The Times - Student Manual

- Overhead Transparencies

Course Description

Bible 10

Philosophy Statement: Through the teaching and study of God's Word, we desire to equip students to know the fullness of God, to pursue His truth, and glorify Him in word and deed. (Ephesians 3:16-17).

Course Objective: This course is designed to help students develop an ability to understand ethical systems, the difference between Christian ethics and other ethical systems, and to give students a method of determining the ethical, Christian choice for dilemmas facing the world today. Students will, through class discussion, worksheets, and papers, give practical demonstration of applying Biblical principles.
