

Course Description

Grades 9-12 Spanish 2

Philosophy Statement: God is the Supreme Communicator, and has endowed His children with the gift of language so that we may communicate with Him and others. As our world continues to shrink, it becomes increasingly important that Christians become aware of and sensitive to other cultures and languages. The study of foreign languages prepares us to better carry out the Great Commission modeled to us in the Scriptures by the apostles and others.

Course Objective: Students will continue the study of basic Spanish with emphasis on developing better language skills and a wider vocabulary. Students will learn to speak about past events, will learn to use comparisons, and will learn to give commands. Students will continue to learn about the Hispanic world and its people.
