

Course Description

Grades 10-12 Spanish 3

Philosophy Statement: God is the Supreme Communicator, and has endowed His children with the gift of language so that we may communicate with Him and others. As our world continues to shrink, it becomes increasingly important that Christians become aware of and sensitive to other cultures and languages. The study of foreign languages prepares us to better carry out the Great Commission modeled to us in the Scriptures by the apostles and others.

Course Objective: The student will continue the study of the Spanish language. A wider vocabulary is developed, there is more emphasis on language structure, and the students do more reading and listening exercises. They continue their study of the Hispanic culture.
