

Course Description

Grade JH Spanish Exploratory

Philosophy Statement: God is the Supreme Communicator, and has endowed His children with the gift of language so that we may communicate with Him and others. As our world continues to shrink, it becomes increasingly important that Christians become aware of and sensitive to other cultures and languages. The study of foreign languages prepares us to better carry out the Great Commission modeled to us in the Scriptures by the apostles and others.

Course Objective: Students will be introduced to the basics of the Spanish language, vocabulary, and culture. Students will begin to use the language in a question/answer and presentation format.
