Philosophy Statement: Through the teaching and study of God's Word, we desire to equip students to know the fullness of God, to pursue His truth, and glorify Him in word and deed. (Ephesians 3:16-17).

Course Objective: The students will survey the Old Testament which includes the study of the decline and fall of Israel and Judah. The course is designed for the students to identify patterns of obedience and disobedience toward God by His people. They will also be able to see the consequences of sin throughout history.
